

## 2024 BMW Performance Riding Centre

Please call **705-835-2790 Ext.1288#** or email [smartadventures@horseshoeresort.com](mailto:smartadventures@horseshoeresort.com) to book your 2-Day BMW Course

We have our 2024 Course Dates listed in our Schedule Tab. We will be running one day adventure bike courses and private courses as well.

All of the courses are Level One which must be completed before Level Two. Please contact us if you are interested in taking a Level Two BMW course this 2024 season [if there is enough demand we will run the Level Two BMW course].

With the continued support of BMW MOTORRAD CANADA and the Ontario BMW Motorrad dealers we are pleased to offer our Level ONE BMW GS Two Day Course.

We have NEW 2024 BMW GS bikes for you to use for the Two-Day course.

We offer a unique program in North America where the whole family can visit us for off road rider training. In addition to our BMW's, we have a whole fleet of smaller trail motorcycles, mini-bikes and ATVs. All ages and experience (novice to expert) levels are welcome. We provide the full riding gear, the vehicle, the professional instruction and a fantastic place to train and trail ride. Please note, the BMW 2-day program is a separate group from our regular programs, you will not be able to ride with other groups in the dirt bike/ATV program.

Our instructors are certified BMW Motorrad GS instructors. Our patient and very experienced off road instructors can help you regardless of your off road riding experience.

Call or email [smartadventures@horseshoeresort.com](mailto:smartadventures@horseshoeresort.com) to book your maintenance course

Maintenance Course 2024- \$249.00

## Date - August 10th

## 2024 TWO DAY COURSE DATES & PRICING

### Training Cost

Two Day course with use of our BMW adventure m/c: .....\$1400.00 CAD excluding tax

**BMW F 800 GS**

**OR**

**BMW F 900 GS**

**OR**

**BMW R 1300 GS**

### Requirements

Participants using our BMW GS bikes must be at least 25 years of age and possess an M2 or full M license.

A \$1,000 refundable damage deposit will be taken the day of the course. This deposit will be returned to participants at the end of the course if no damage is caused to the bike. Please see the information below for more information regarding damages.

Prior dirt riding experience can greatly help customers performance through the 2-Day BMW course. We recommend taking one of our dirtbike programs or our One-Day Dualsport program prior to enlisting in the 2-Day course if the rider has minimal dirt riding experience.

### Accommodations

Accommodations are booked through the resort with the special rate code linked below, not through S.M.A.R.T Adventures.

This link and code is to book a special rate at Horseshoe.

Please note that this is not available via telephone and through central reservations and this offer is **ONLINE ONLY**

**Call or email [smartadventures@horseshoeresort.com](mailto:smartadventures@horseshoeresort.com) to book your Adventure bike maintenance course**

**Maintenance Course 2024- \$249.00**

**Spring Date - MAY 18TH**

**Summer Date - JUNE 29TH**

Hands on course

Bring your lunch or go with the group off-site. Participants are responsible for their lunch.

### Damages to our BMW GS motorcycles

Scratches happen riding off road and we do not charge for minor damages when you are riding our new BMW GS. If we have to replace or repair parts after your ride then you are responsible for just the replacement cost of the parts. BMW GS units are very tough and with good crash guards damages are rare. A \$1,000.00 Damage Deposit is required. We are not responsible for damages that you cause on your own motorcycles. It is wise to have good off road tires and adequate crash protection for your bike. We also require good Enduro type riding gear. We can help with boots if you only have street styled footwear.

**Please assume all 2-Day Courses listed below are Level One. If we get enough demand we will run a Level Two course**

Directions to our Off-Road Main Training Site from the Toronto area

- Take Highway # 400 North past Barrie
- After passing the Duckworth Street exit ramp, please watch for the sign: 400 North 69 Sudbury / Parry Sound
- Stay to the right lanes of the highway to avoid taking Highway # 11 to Orillia
- Once you are on the 400 North extension, take the second possible exit at Horseshoe Valley Road East, exit # 117
- Travel east approximately 4 kms and then turn right on Line 3 North. Drive slowly along this winding road that has tight corners.
- You will find signs on your left saying Carriage Ridge Resort and Horseshoe Riding Adventures
- Turn left after going down a hill into the driveway of the Carriage Ridge Resort
- Keep left and watch for the Horseshoe Riding Adventure
- Park on the right and then please walk over to where you see lots of blue tents, ATVs, and motorcycles (or snowmobiles)
